

Category 6 UTP Module

Features & Benefits

- ✘ Category 6 performance
- ✘ Manufactured in the UK
- ✘ Unique colour coded saddles allow quick and accurate installation
- ✘ Industry standard IDC's
- ✘ Top quality high performance TYCO sockets
- ✘ Individually QA tested

Category 6 modules provide the performance needed for present and next generation data communications networks and applications, including Gigabit Ethernet. The use of next generation components and specially designed boards allow a bandwidth of 250 MHz to be achieved.

Category 6 modules, can be fitted into Single or Dual faceplates and can be combined with quarter blanks and/or voice modules to provide the required configuration. Their attractive high gloss finish and easy to use labelling system make them popular with both installers and end users alike. Installation is made easy with the unique colour coded cable saddle and the use of industry standard IDC's.

Connectix Category 6 modules are full compliant with the EIA/TIA Category 6 standard. When used in conjunction with Category 6 patch panels and UTP cable the user will get a link performance exceeding the Category 6 requirements.

The Category 6 module is identical in appearance to other modules in the Connectix Cabling Systems range, making a seamless transition to Category 6 a reality.

Ordering Information

Product Description	Part Number
Category 6 UTP RJ45 Module	008-001-001-35
Standard Single Gang Faceplate	008-001-002-05
Standard Dual Gang Faceplate	008-001-003-05
Elite Standard Single Gang Faceplate	008-001-002-01
Elite Standard Dual Gang Faceplate	008-001-003-02
1/4 Blank	008-001-004-05

Specification

Width	25mm
Depth	35mm
Height	50mm
Faceplate Depth	15mm
Back-box Depth	Minimum 24mm recommended
Mounting Hole Size	25.40mm x 47.80mm
Material	Polycarbonate/ABS thermoplastic resin with grade UL94 VO at 1.5mm flame retardancy
Finish	High Gloss
IDC Labels	Individual colour coded labels
Cable Guide	Individual cable saddles with cable tie position for left or right cable entry
Sockets	High Performance TYCO unshielded vertical jacks
IDC Blocks	4 Way Industry standard IDC blocks
PCB	1.6mm double sided PTH boards
Conforms to	TIA/EIA-568-B.2-1 Category 6 Specification

Elite Faceplates
